Paper Submission-Guidelines

- Submitted papers must be original, unpublished work aligned with the conference themes.
- Manuscripts should be in PDF format, using 12-point Times New Roman font, double-spaced, with 1-inch (25 mm) margins on all sides.
- Papers must not exceed 8,000 words including references, tables, and figures; appendices are permitted but should be minimal.
- Include a structured abstract of up to 200 words on the first page, without author names or affiliations to ensure double-blind peer review.
- Title should be centered, bold, and in 14-point font on the first page.
- Use clear section headings: main headings centered and bold, secondary headings left-aligned and underlined.
- Cite all relevant prior work, avoiding self-identifying information; references should be complete and formatted consistently.
- Ethical compliance declaration must be included in the paper, where applicable, describing any ethics approvals obtained.
- Submit via the conference submission system by the deadline; late submissions will not be considered.
- Authors may be required to register as reviewers as part of the peer review process and must adhere to confidentiality and conflict of interest policies.
